

Drew Nuttall

Denver, CO 80130 | 720-987-8740 | Drew@DrewNuttall.com |

Summary

Full Stack Software Engineer with 20 years of experience in front-end and back-end development, specializing in creating scalable, user-focused applications. Now I am seeking a full-time role where I can apply entrepreneurial problem-solving skills and technical leadership to dynamic development teams.

Skills

Languages: **JavaScript, TypeScript, Node.js, HTML5, CSS3, SVG, SQL**

Frameworks: **REACT, Bootstrap, jQuery, NPM, RESTful APIs, GIT, MSI Packaging**

Experience

AUTOMATED INNOVATIONS • JAN 2005 – PRESENT

Beginning as a consultant, I became a managing partner in 2014 and sole owner in 2023. Handled all software development. Created design patterns that revolutionized travel agency booking workflow. Designed and built a content-management-style app to create data-driven, single-page web apps through point and click interface, saving thousands of man-hours in development. Created a successful software giveaway marketing campaign.

CONSULTANT AT TRAVELPORT • DEC 2004 – DEC 2005

JavaScript Developer. Created time-saving applications to improve internal workflow as well as creating and maintaining customer-facing libraries of single-page web apps.

CONSULTANT AT TRAVELPORT • SEP 2002 – DEC 2004

Worked as a problem-solver in several technical disciplines as needed. Worked with Problem Tracking System to assist clients worldwide with technical issues.

ANDAVO TRAVEL • SEP 2000 – SEP 2002

Programmer, Administrator, Reporting, etc.

Education

Brebeuf Jesuit • Indianapolis, IN • 4-year diploma.

Ball State University • Muncie, IN • Coursework in Music Composition (2 years)
